

Breakout 4

How to approach tourism-related human rights violations on the doorstep – discussing case studies from Europe?

Ideas

Institute for complaint mechanisms

Roundtable Human Rights in Tourism could hand out a guideline about "how to deal with short time work within the Covid crisis or beyond"

Create a fund / State insurance

Cut the salary of the managers, reduce the dividends and support the staff

Raise awareness

Tell tour operators and/or travellers to prefer smaller hotels over big chain hotels

Favorites

EU as a frame of legal regulation, controlling and sanctions

Devide work in a fair way
